## THE EAGLE LINCOLN MKT 44" 6-DOOR LIMOUSINE

When you take a closer look at the 2013 Eagle Lincoln MKT 6-door limousine, it won't take you long to realize that it's exactly what you've been waiting for. It has been designed and built with both style and functionality in mind, and it is a leader in its class by any comparison. It boasts a heavy-duty chassis and many of the mechanical features have been upgraded to make sure it will be a top performer for years to come. Whether you are investing in the Eagle Lincoln MKT 6-door limousine as a standalone vehicle, or to match your Eagle MKT Icon funeral coach, you'll find that it exemplifies all the things that the names "Eagle" and "Lincoln" represent.
